Ice Breaker

The Garinko-go II ice breaker runs through drift ice, shattering it with its large drills. The enchanting colors formed by the tapestry of broken ice and seawater and the blocks of ice surfacing from beneath the boat provide magnificent views from on board. Passengers might also be lucky enough to see Steller's sea eagles and seals. The Garinko-go II provides access to a fascinating world exclusive to those on board. In summer, passengers can also enjoy deep-sea fishing and pleasure cruising.
